Middle College, the first college building constructed northwest of Chicago still in academic use, was erected in 1847 by the citizens of Beloit. It contains the administrative offices of the college. "Old Middle" has been designated as an official landmark by the Wisconsin State Historical Society. A large brick entrance plaza is named to honor Samuel J. Campbell, former chairman of the Board of Trustees. The Admissions Office and visitors center are located on the first floor.

THE MODERATOR'S MESSAGE

"We Do Bynd Our Selves To Walke Together" is the theme for our 36th Annual Meeting, to be held in Beloit, Wisconsin June 24 to 27, 1990. Of course, these words have their origin in early Congregationalism. They were used in the Salem Church Covenant of 1629 and also go back to the group which met in Scrooby, England.

We think they well describe our National Association, since we are an association of churches who voluntarily "Bynd Our Selves To Walke Together" in fellowship and helpfulness. At this time in our Association's life it seems particularly appropriate this coming year to bind up any wounds or differences and to emphasize our love for each other.

Congregationalists extol the freedom we have, and that is good. But are we obsessed with freedom? What about our "commitment" to each other? When we voluntarily enter into any relationship (like the marriage relationship) we thereby give up some autonomy to attain mutuality. And, is this not something of a higher "freedom?" Does this not invoke mutual responsibility-- as "we bynd our selves to walke together?"

This Yearbook you are holding is not only a valuable tool directing you to all of the services available through your Association; but it lists all of our Divisions and Commissions, the active Regional Associations, as well as many other facts and names. Notice the many volunteers and professional clergy who serve, not only in our churches, but on all these Boards and Commissions of our National Association. Were it not for them, these many volunteers who offer to help us all in fellowship and love, we could not do all we do, nor grow as we have been!

May this be a year in which we all come together in fellowship to work together in solving mutual problems, in listening to each other, and in doing God's will as we may through our Association!

We hope we see you at our "family reunion" in Beloit next June!

Harold G. Frentz
Moderator

THE EXECUTIVE SECRETARY'S MESSAGE

My message for this 1990 Yearbook is directed toward a better understanding of this fellowship of Free Congregational churches. Uppermost in this description is the indication that we are a "fellowship," not a "denomination." This is an association of member churches, not a structured hierarchy with a bishop, or supervisors, cardinals and the like. The National Association of Congregational Christian Churches exists to bind together like-minded churches. Each member church is autonomous. A church's membership in - and support of - the Association is purely voluntary. It's been this way since the Association was founded in 1955.

Similar to its relationship with member churches, the Association has no authority or control with respect to ministers serving those churches. Our National Office obtains and retains dossiers, credentials, and transcripts from ministers as a service to member churches interested in employing a minister. Similarly, we request a profile from a member church which is looking for a pastor. This is a service, not an assignment/recommendation procedure.

Ordination of a minister is effected by the local church, with -or without - the recommendation of a locally-called Vicinage Council. Ministerial standing is granted to an individual by an Area Congregational Association or Fellowship.

While programs involving missions, church develpment and a broad range of assistance to local churches are monitored and coordinated by National Office staff, the basic conduct of these programs is carried on by volunteers.

The emphasis in this fellowship , therefore, is on the autonomy of the local church. It is the local church which - through an appointed delegate - controls the makeup and function of this Association at each Annual Meeting. A minister's name is listed in this Yearbook because we have been informed this individual is a minister/member of one of our member churches.

A church group without a pyramid structure and a titular head is difficult for many to comprehend. But this is Congregationalism, pure Congregationalism, as those who came to America in 1620 expected it to be.

BUILDING AND LOAN FUND
(A Division)

The Building and Loan Fund was originally incorporated in April, 1959 (without stock and not for profit). In March, 1962, the incorporated Fund was dissolved and its assets were transferred to the Corporation for the Association, with the Building and Loan Fund becoming a Division of the Corporation.

Its purpose is to promote, encourage, assist, and - in any manner - aid the establishment, building, remodeling, maintenance, repair, location and/or relocation of Congregational Christian Churches which are members of - or affiliated with - the Association. It seeks and encourages contributions so that it may extend assistance to an increasing number of Churches. The chairman of this Division is appointed by the Executive Committee.

CONGREGATIONAL CHURCH DEVELOPMENT
(A Division)

A statement of purpose for the Congregational Church Development Division appears in the Bylaws of the Corporation for the National Association as follows:

> *"To serve as the Agency of the National Association of Congregational Christian Churches in encouraging and supporting the organization and development of new Congregational Christian Churches by such methods and in such locations as the Division may determine appropriate after due study and survey; including response to the inquiries of self-generating groups which may request counsel and support from the National Association for such a purpose."*

The Division has the power to accept, accumulate, and expend funds designed for the above purposes, all funds being held in the name of the Corporation for the Association. It elects its own officers, and reports semi-annually to the Executive Committee sitting as the Board of Directors of the Corporation. It also is involved in the promotion and administration of the Ten Dollar Club, as well as offering counsel and support to existing Congregational Churches with special problems.

CONGREGATIONAL FOUNDATION FOR THEOLOGICAL STUDIES
(A Division)

The Congregational Foundation for Theological Studies was established in 1961 as a response to the concern many people were expressing for where the churches were to find ministers whose commitment, training and preparation fitted them uniquely for service to these churches of the Congregational Way.

It represents an unusual approach to theological education designed to serve the special requirements of our diverse Congregational fellowship in which no single theological or social viewpoint can represent all of the churches.

CFTS is, as the name denotes, a Foundation which provides financial aid in the form of grants and scholarships and thereby places a fine theological education within the reach of all potential Congregational ministers. It also seeks to enrich each student's program academically by providing a directed study in Congregational History and Polity and by providing annual seminars on topics related to ministry in the Congregational Churches. To provide experience in the practice of ministry, each student is required to serve an internship in an approved CCCNA teaching church. By giving equal emphasis to the financial, the academic and the practical portions of the program, the Congregational Foundation for Theological Studies provides unusually fine preparation for ministry in Congregational churches of our Association.

To continue its mission and to assure the future of the Congregational ministry, the Foundation depends on the member churches of the Association to:

Provide regular financial support;

Identify talented and committed men and women, and to challenge them to give serious consideration to the Congregational ministry as a vocation;

Provide practical work experiences in Congregational churches for CFTS interns.

DIVISION FOR THE MINISTRY

The chief concern of this Division is for the Congregational ministry in its variety of forms. Through the office of the Staff Secretary for Pastoral Relations, support and aid is offered search committees as they seek ministers for churches of the Association, and consultation is offered to churches and ministers seeking to resolve problems and conflicts. The Office of Pastoral Relations also maintains current files of records and profiles for each associate member church, and credentials and professional dossiers for ministers. In addition, the Division for the Ministry acts as the agent for the Congregational churches for the endorsement of military, Veterans Administration, hospital and prison chaplains.

The Division also administers several special funds:

The Ministerial Assistance/Enrichment Fund provides emergency financial assistance to ministers, both active and retired. Also, financial support is offered for a variety of continuing education opportunities. With resources of this fund, the Ministers' Convocation is planned and presented by the Division Board.

The Retired Ministers' Fund was established by the Rev. Dr. Max Strang, a long-time Congregational minister, and Mr. Fred Hoerner, a Congregational layman, to recognize the value of the service rendered by retired Congregational ministers and their spouses. This fund has been supported generously by the churches of the Association and now provides an annual stipend to all retired ministers who have served CCCNA churches.

The Winthrop Fund was established in 1987 by the Division Board to provide for the cost of administering the programs and services of the Division. As the Winthrop Fund endowment grows, the income from it will reduce, and perhaps someday eliminate, the dependence of the Division on the Association Fund for Shared Ministries.

MISSIONARY SOCIETY
(A Division)

The mandate for missions comes first from Scripture, which says "Therefore go and make disciples of all nations, baptizing them in the name of the Father and the Son and the Holy Spirit..." (Matthew 28:19-20). The tradition of Congregational Churches' involvement in Christian missions began in the colonial period, and is as long and faithful as any in American history. Your Missionary Society is working to build an even deeper commitment to this ministry of outreach in the Churches of our Association.

The present Missionary Society was established in 1954 and in 1961 became a Division of the Corporation for the National Association of Congregational Christian Churches. The statement of purpose for the Missionary Society appears in the Bylaws of the Corporation, as follows:

"To serve as the missionary agent of the churches of the National Association, and of such churches as desire its service; to receive, manage, and distributesuch funds and propertiesas may be entrusted to it according to the expressedwishes of the donors, or in the absence of such designation, by vote of the division; to counsel with such Churches as call upon it in the area of their missionary concern; and generallyto stimulate the spreading of the Gospel of Jesus Christ by such means as are in keeping with the basic principles of the CongregationalChristian Churches..."

Volunteer board members serve this Division and its worldwide concerns. Funds received are disbursed through the Treasury of the National Association of Congregational Christian Churches. Gifts are faithfully administered according to the wishes of the donors. Working in cooperation with its Executive Staff person, the Missionary Society monitors all selected projects so that individuals and churches in our Association may have confidence that their contributions are used with integrity and for purposes which are in valid support of Christian missions.

The Missionary Society strives to select projects that are distinctively Christian and distinctively Congregational. Currently, missionaries in fourteen countries are receiving our support. Aid is given to churches and other mission projects in the United States, some of which are cross-cultural in nature. Overall, this program of Christian missions is becoming more holistic, ministering to the needs of the whole person; including the spiritual, the physical, and the relational. All supported missions are under regular review and evaluation. The needs are genuine, and the projects are worthy of prayerful and generous support.

COMMISSIONS OF THE NATIONAL ASSOCIATION
Functions of the Commissions

Association Commissions are extended subcommittees of the Executive Committee. They are charged with responsibilities in specific areas of concern such as Christian Education, Communications, World Christian Relations, Spiritual Resources, Women, and Youth.

Executive Committee members designate a liaison representative to each Commission. Commission members are nominated by the Executive Committee and from the floor of the Annual Meeting. They are elected by Association delegates gathered at the Annual Meeting. A full term is four years, with one-fourth of a Commission membership changing each year. Following consultation with each Commission, the Executive Committee appoints respective chairmen.

Commissions are granted considerable autonomy in carrying out their responsibilities. They report all actions promptly to the Executive Committee. Some of these recommendations require further action by the Association at its Annual Meeting. In that case, they are reviewed by the Executive Committee, and its recommendations -in turn- are submitted at the Annual Meeting.

Records of enabling resolutions, which originally brought certain Commissions into existence, are not available. It has been necessary, therefore, to draft a current statement of activities based on actual practice, thereby providing information to the membership of the Association.

Subject to availability of funds, Commissions may meet twice a year; during the fall or winter months and immediately before the Annual Meeting of the Association. Seminars and exhibits are planned by many of the Commissions in conjunction with the Annual Meeting.

WOMEN'S COMMISSION

The objective of the Women's Commission is to further the work of the Kingdom of God by uniting women of the Congregational Christian Churches in Christian Fellowship, through programs of education, spiritual growth, and testimony expressed in stewardship and service. The Commission seeks to be a clearing house for ideas and methods found effective in promoting women's responsibilities in the local Churches and in the larger area of the nation and the world.

For assistance, helpful material is available upon request from the National Office. Among materials available are: program planning material for interesting programs, timely devotional readings, the Missions Directory as well as suggestions for hand work for missionary projects, and offering envelopes for the Women's Project. There is a slight charge for some of these materials to cover the cost of printing and mailing.

Each year, at the Annual Meeting of the National Association, the women select areas for our combined benevolences called the Women's Project. Each year these gifts have become larger and there is an expectation that this growth will continue.

The Commission supports and encourages state and regional meetings of Congregational women, and the formation - where desired - of statewide Congregational Women's Fellowships.

COMMISSION ON YOUTH

It is the purpose of the Commission on Youth to offer local churches youth program resources and support so that member churches can provide opportunities for growth in the understanding of Christian life principles, for the development of a sense of responsible freedom, and for serving the cause of Christ through fellowship and service. The Commission does not seek to provide a total program for the local Church youth, rather, it seeks to support these groups and extend specific help when it is requested. In accordance with this aim, the Commission engages in the continuing development of resource material for use by the Churches.

Further, the Commission seeks to provide opportunities for inter-group fellowship among young people through the National Association Pilgrim Fellowship and the Heritage of Pilgrim Endeavor (see below). An Annual Assembly for NAPF and HOPE is held each summer in conjunction with the Annual Meeting of the Association. The Assembly is an opportunity for sharing, growing, and learning for the youth of our Churches.

Opportunities for service, which might otherwise be unavailable, are afforded through the Work Camps and Pilgrimages sponsored by the Commission. These special programs are available to the high school and college young people of all Association Churches. Other projects, in this country and overseas, are sponsored as needs and opportunities arise.

AREA CONGREGATIONAL ASSOCIATIONS AND FELLOWSHIPS

In extending the Congregational Way, Churches and individuals in various parts of the country have established local Associations and Fellowships of several types. While these are not organizationally related to the National Association, they are listed in this Yearbook for informational purposes.

Unless otherwise indicated, membership in these area groups is by Churches. Voting privileges are accorded only to delegates from the Churches. If other provisions prevail, a brief descriptive sentence follows that name of the organization.

An "X" appearing before the group name indicates that updated information has not been received and that indicated data has been reprinted from the Yearbook issued in the previous year. Groups which have not responded in two years to requests for information continue to be listed. However, to avoid publication of out-dated information, official information is omitted.

Groups are listed alphabetically by state or geographical area.

ARTICLES OF ASSOCIATION

of the

National Association of Congregational Christian Churches of the United States

Preamble

WHEREAS Churches of the congregational order have historically held to certain truths, chief among which are the freedom of the Christian man maintained at all costs and all hazards; the right of the local Church to self-government in all matters temporal and spiritual, because of Christ's word that where two or three are gathered together in His name He is in their midst; the fellowship of the Churches in the spirit of love, without compulsion or restraint and free from the bondage of creed or ecclesiastical control, and,

WHEREAS the congregational way is one of the great outer and corporate expressions of the inner and individual life, and,

WHEREAS the needs of our time demand that these timeless principles be revived and given national, as well as local, expression, and,

WHEREAS the advance in transportation and communication is such that Churches a continent apart are now as near together as the contiguous Churches of yesterday, and

WHEREAS it is desirable that Congregational Christian Churches have an organization embracing the entire nation, of which the members shall be Churches, and through which they may take counsel and may realize their common purposes, and advance God's Kingdom;

WHEREAS Churches by delegates assembled in Detroit, Michigan, on November 9 and 10, 1955, first organized and elected temporary officers of the National Association of Congregational Christian Churches;

THEREFORE WE, the Churches by our delegates here assembled in Wauwatosa, Wisconsin this 25th day of October, 1956, do covenant in this National Association of Congregational Christian Churches to walk together in the ways which God anciently revealed to our fathers, and in such further ways as He may yet reveal to us, the present form and purposes being hereinafter stated. Amen.

ARTICLE I. NAME

The name of this Association shall be the National Association of Congregational Christian Churches of the United States, hereinafter called the Association.

ARTICLE II. PURPOSE

The purposes of the Association shall be:

To provide a means by which Congregational Christian Churches of this nation may, without in any wise disturbing or altering their present associations and affiliations, consult and advise together as Churches upon matters of common concern to them, both temporal and spiritual;

To provide this closer fellowship and unity in all spiritual matters among Congregational Christian Churches;

To aid, in such ways as may from time to time be appropriate and proper, the continuance and growth of those Christian purposes and practices which have been the historic and accepted characteristics of Congregational Christian Churches.

In case of necessity to do and perform any and all functions ordinarily and customarily performed by Congregational Christian associations.

To promote, carry on and supervise such co-operative activities among member Churches as to them from time to time may seem wise and expedient.

Upon application therefor by member Churches, to provide for them such assistance, whether financial or through advice and consultation or otherwise, as may be proper and expedient.

ARTICLE III. MEMBERSHIP

1. *Member Churches.* Membership in the Association shall be by Churches, which membership shall not be considered inconsistent with membership in any other Congregational Christian Association or conference. In all matters submitted to the Association for consideration, each active member Church shall have one vote.

(a) For the purpose of this Article a Congregational Christian Church shall be defined as a body of Christians complete under God in spiritual authority and ecclesiastical power, regularly meeting and worshipping in one place, united by a mutually owned covenant, in fellowship with sister Congregational Christian Churches and recognized by the laws of the place of location as a duly constituted Church.

(b) A Congregational Christian Church may request membership in the Association by congregational action taken at any duly called and held meeting of such Church, which congregational action shall then be certified to the Secretary of the Association by the Church clerk or proper Church official. Upon verification, through the submission of its Constitution and Bylaws, that the Church applying is operating as a Congregational Church, and affirmative vote by the delegates in Annual Meeting, such Church shall become a member.

(c) There shall be two classes of member Churches: active and inactive.

(d) Membership may be withdrawn by any member Church at any time by like action and certification, without impairment of any of its temporal or spiritual rights as a Congregational Christian Church.

(e) A Member church may be dropped from the rolls of the Association upon receipt of satisfactory evidence the church has disbanded. Such action shall be reported to the Association apart from the minutes of the Executive Committee at the Annual Meeting prior to the action being taken.

2. *Associate Member Churches.* Any Christian Church, in sympathy with the purposes and goals of this Association, and in accordance with the procedure of ARTICLE III. Section 1, above, may request an associate membership in the Association, without vote, but with representation on the floor at meetings.

3. *Affiliated Fellowship.* Fellowships of Churches in sympathy with the purposes and goals of this Association may request a mutually agreeable affiliation, without vote, but with voice, whether or not any or all of their individual member Churches are members of this Association. Such affiliation shall be in the spirit of fellowship and shall never be the basis for the exercise of ecclesiastical control by this Association or by the affiliate.

6. In all matters which come before the Association or a meeting thereof for action, each active member Church shall be entitled to one vote. All Official Delegates shall have equal privileges of debate and in making motions or otherwise bringing matters before a meeting.

III. OFFICERS

1. *Moderator.* The Moderator, or in his absence, or at his request, the Moderator-Elect, shall preside at the meetings of the Association. The Moderator may deliver an address upon a subject of his own selection at the opening of the meetings of the Association over which he presides. It is understood that his acts and utterances have no authority from

(f) The Executive Committee shall serve as the business committee for the meetings of the Association. It may appoint other special committees to deal with phases of work not covered by other agencies as the need arises.

(g) The Executive Committee shall determine when a necessity exists as contemplated by Article II of the Articles of Association.

(h) The Executive Committee may take official action on any subject matter within its area of concern by a mail ballot and the motion or resolution so stated shall be submitted with adequate explanatory information to all members of the Executive Committee. The Secretary of the Association at the request of the Chairman of the Executive Committee shall mail out to each member of the Executive Committee a ballot stating the proposition or propositions as proposed, and each member of the Executive Committee shall promptly return the ballot with each proposition marked "Yes" or "No", dated and signed. An affirmative vote shall consist of a two-thirds vote "Yes" by the members of the full Executive Committee, and a vote shall be counted when all ballots have been returned or thirty days after the Secretary of the Association mailed said ballots, whichever is first.

same time be notified as to purpose, place and time of the meeting.

(2) The Interim Committee may initiate business and recommend action to and by the Executive Committee, but no action shall be considered as effective until approved by the full Executive Commitee either by mail ballot or at a regularly called and held meeting of the Executive Committee.

(k) The Executive Committee, before acting as Directors of the Corporation for the National Association on the Appointment of members of the Divisions of the Corporation, shall present to the National Association, prior to the Annual Meeting, the names of those being considered for such appointment, and shall give opportunity to those present at the Annual Meeting to discuss such nominations and to make alternate suggestions for such appointments at an open session of the Executive Committee.

2. *Committee on Credentials.* A committee on credentials composed of three persons shall be elected at each regular meeting to serve at the next regular meeting and at any intervening special meeting. No member shall serve more than three years in succession. The committee shall certify the existence of a quorum and shall prepare a final report to be presented before the conclusions of the Annual Meeting showing the roll of member Churches of the Association represented at the meeting with the names of their Official Delegates and Alternate Delegates (if any) as determined by the presentation of credentials from the electing Churches. This roll shall be made available to all delegates by posting or duplicating or both.

3. *Nominating Committee; Nominations and Elections*

Members of the Nominating Committee shall be members of member Churches.

(b) The Committee's nominations shall be transmitted to the Association Secretary who shall transmit such list of nominees to all member Churches at least thirty days prior to such regular meeting. In addition to any nominations so made, in every case nominations for any elective office may be made from the floor of the meeting. The Moderator shall in every instance call for such nominations from the floor. In cases where there is no contest the nominees may be elected by voice vote. If there is a contest, the vote shall be by written ballot the following day.

(c) Nominations for members of the Nominating Committee shall be complete on the day preceding the vote upon their election which shall be by written ballot, except that in case there are only the required number of nominees they may be elected by a voice vote on the day of nomination. Copies shall also be given to the elected Resolutions Committee.

(e) All resolutions so proposed shall be considered by the Resolutions Committee, and the Resolutions Committee shall report to the Annual Meeting its recommendations, favorable or unfavorable, on each proposed resolution. 3. The fiscal year shall begin on April 1 and end on March 31, effective April 1, 1972.

VII. STANDING RULES

Standing rules for the Association may be adopted from time to time by a two-thirds vote of the members present and voting at any meeting of the Association.

VIII. REFERENDUM COUNCIL

1. In the event that not less than ten percent of the member Churches of the National Association contend that any agency or creature of the Churches of the National Association is violating the principles set forth in the Articles of Association, or is taking action contrary to the will and interest of the Churches, or is formally contemplating such violation or action, the contending churches shall have the right and power to call a Referendum Council.

An agency or creature of the National Association is any Committee, Commission, Board, Corporation, or legal or ecclesiastical entity of any kind, brought into existence by the member Churches of the National Association and ratified by the Annual Meeting or a special meeting of the National Association, or by common acceptance and usage. Any subsidiary agency or creature subsequently brought into being by an agency or creature of the National Association shall be deemed an agency or creature of the Churches of the National Association for this purpose.

2. A Referendum Council is an adaptation of the Congregational custom of a vicinage council. It is composed of nine persons, three to be chosen by the Churches that call the council, three by the party whose action or proposal is in question; these six to choose the other three. Each of the nine persons must be a member in good standing of a local Congregational Church which is a member of the National Association. Not less than five members of a Referendum Council shall and must be laymen. If the party whose action or proposal is in question shall fail or refuse to choose three persons within thirty days after receiving written notice to do so from any Church which participates in the call, the Churches taking part in the call shall have the right to choose the number of persons who otherwise would have been chosen by such party.

3. A Referendum Council meets at such times and places as are determined by the last three persons chosen and considers the controversy, hearing the pleadings of both parties. All records of the National Association and its agencies and creatures shall be available, without the necessity of legal recourse, to either or both parties. The Referendum Council shall endeavor to settle the controversy. If unable to do so, it makes its findings, which may include a minority report, formulates the question at issue, and sends the question directly to the Churches, together with a notification of the deadline for voting set by the Referendum Council.

4. The local Churches vote on the question in their own localities. Only a duly convened meeting of a local Church shall be competent to act upon a question submitted by a Referendum Council. A copy of the vote of the local Church, certified by its proper official, shall be forwarded to the Secretary of the National Association. The secretary shall tabulate the votes, and not later than sixty days after the close of voting, notify all member Churches of the results of the balloting. A two-thirds majority vote shall be necessary for decision. No subsequent action on the part of the Annual Meeting of the National Association or a special meeting of the National Association, or on the part of any of the agencies and creatures of the Churches, can overrule or supersede the decision of the Churches on a question referred to the Churches by a Referendum Council.

5. A vote on a question referred to the Churches by a Referendum Council has for the Churches as much force as force of wisdom in it lies; it is not a legal determination. No local Church can be legally bound by anything but its own actions or the laws of the state. But any agency or creature of the Churches of the National Association which ignores, contravenes, or alters the will of the Churches as that will is expressed in a vote of the Churches on a question referred by a Referendum Council, is acting beyond its legal powers, and is subject to legal action by the Churches.

IX. STANDING AND ORDINATION

1. In accordance with the historic and accepted practice of congregational bodies exterior to the local Church of making lists of the names of those who have ministerial standing in our Churches as ordained pastors and teachers and other ministers, missionaries, college and seminary professors and chaplains, the National Association shall prepare, maintain and publish such a list. The list shall include the names of ordained Congregational ministers who are retired or no longer engaged in full-time Christian service or are serving other than National Association churches, and licentiates, coded to indicate their current status.

2. The presence or absence of the name of a pastor or minister on this list shall not be construed as either conferring or denying ministerial standing. The act of recordation shall be a mere acknowledgement of the fact that he is the pastor or minister of a member Church of the National Association. This list is compiled for the convenience of those concerned and as a source of information to the Churches, and it shall be published by the proper agency of the National Association as this is determined by the Executive Committee.

3. In no case shall any person have the right to vote in a National Association meeting merely by virtue of inclusion of his name in these lists. In every case a listed person except a retired minister shall be a member or an associate member of a member Church of the National Association.

4. The National Association has no power to ordain, censure, or depose a minister, or to sit as a council of reference in such cases.

5. Ordination is the right and business of the local Church, but the following statement of things commonly held among us is germane to the purposes of the National Association as stated in Article II of the Articles of Association.

(a) The local Church being complete under the Headship of Christ in all spiritual and ecclesiastical power has, and shall retain, the inalienable right to ordain. The local Church may call an ecclesiastical council as an expression of the fellowship of the Churches, but it shall be remembered that ordination is by the local Church.

(b) Ordination by the local Church is valid and sufficient, but it is conducive to orderliness and continuity of record that the fact of a minister's ordination be listed with a larger body or bodies. This may include a local association of Congregational Churches and the National Association. In the case of the National Association, such listing shall be done under the pertinent provisions of this Bylaw.

X. PARLIAMENTARY AUTHORITY
